

A close-up photograph of a young girl with long blonde hair and freckles. She is looking down at a black smartphone held in her hands. The background is blurred, showing other people in a social setting.

**YOU SPEAK ADULT. SHE SPEAKS,
WELL, SHE DOESN'T SPEAK.**

More and more preteens form relationships through texts and by going online – all without saying a word. Why not engage your children and ask them about texting? This could be your opportunity to talk with your kids and, hopefully, help them make thoughtful decisions, so texting never turns provocative. Be a parent that matters. For conversation starters go to startstrongparents.org.

PARENTS: START RELATING BEFORE THEY START DATING.
