

**ISN'T IT TIME HE UPDATED
HIS STATUS WITH YOU?**

The relationships your preteens have with everyone else begin with their relationship with you. Talk with your kids about peer pressure online and off, even if they're not in a relationship yet. As a parent, you can help shape respectful relationships through conversations that are actually spoken, not texted. Be a parent that matters. Learn how at startstrongparents.org.

PARENTS: START RELATING BEFORE THEY START DATING.
